**MEMORANDUM**

---

---

**To:** Cascade Charter Township Board  
**From:** Steve Peterson, Community Development Director  
**Subject:** Cascade Burton Park building  
**Meeting Date:** January 24, 2018

---

We have received three bids for the roofing job at the storage building at Burton Park.

Kevin's Home Improvement	\$37,286
Premier Roofing	\$28,350
Dan Vos Construction.	\$27,425

The goal is to get this roof redone as soon as weather permits. This has already been planned for in the 2018 budget and is part of the larger improvements planned for that building this year. We have had Dan Vos Construction perform many jobs for the Township with excellent results. They most recently completed the renovations to the bathrooms at Tassel Park.

Staff recommends Dan Vos Construction.
